Email address:

Entry: **£10** (£5 for students) **CLOSING DATE: August 18th**

At the end of each month (August to May, inclusive) the points for Section A are calculated and added to any points scored that month in Section B. There will be a prize awarded to the highest total for each month. The monthly amount will be announced once the number of entrants has been finalised but will equal 5% of the total entry fees collected

At the end of the season a combined score will be calculated from the total points for all three Sections. As with the monthly prize amount, the overall prize will be announced once the number of entrants has been finalised but will equal 25% of the total entry fees collected!

Good Luck!
